Location Plattling: Straubinger Kartoffelhandel becomes EUROPLANT

Dear Sir and Madam,

As you can see from the attached letter from Straubinger Kartoffelhandels GmbH, Mr. Bannick will take care of his parents' agricultural business after many years as responsible manager. We wish him all the best and much success.

The previous shareholder Mr. Georg Probst has decided to withdraw from the potato trading business.

We are pleased to announce that we as

EUROPLANT Pflanzenzucht GmbH

have taken over the location **Enchendorfstrasse 22, 94447 Plattling** and intend to develop it successfully, hopefully together with you.

In addition to the locations in Kaltenberg, Ulm and Weißkirchen (Styria), this location complements our network in the region.

In Plattling we will concentrate our southern German activities in the field of potatoes of all kinds and onions.

Under the leadership of **Mr. Daniel Probst**, the team, expanded by Mr. Michael Kruber, will be your expert partner in the areas of consumption and processing potatoes, onions and for questions about seed potatoes.

You can reach us in Plattling under the following telephone connections:

In the future the **location Plattling** will be your **reliable trading partner** for all kinds of potatoes and onions! **EUROPLANT** would like to work **together** with you to successfully shape the future highly demanding tasks of the industry.

We therefore ask you the trust previously placed in **Straubinger Kartoffelhandels GmbH** to transfer to us, the **EUROPLANT Pflanzenzucht GmbH**, and we assure you of our full **commitment** and **reliable processing**.
